Docket No: 5206-00

[REDACTED]

This is in reference to your application for correction of your naval record pursuant to the provisions of title 10 of the United States Code, section 1552.

A three-member panel of the Board for Correction of Naval Records, sitting in executive session, considered your application on 7 November 2000. Your allegations of error and injustice were reviewed in accordance with administrative regulations and procedures applicable to the proceedings of this Board. Documentary material considered by the Board consisted of your application, together with all material submitted in support thereof, your naval record and applicable statutes, regulations and policies. In addition, the Board considered the advisory opinion furnished by BUPERS memorandum 1160 PERS 815 of 27 September 2000, a copy of which is attached.

After careful and conscientious consideration of the entire record, the Board found that the evidence submitted was insufficient to establish the existence of probable material error or injustice. In this connection, the Board substantially concurred with the comments contained in the advisory opinion. Accordingly, your application has been denied. The names and votes of the members of the panel will be furnished upon request.

It is regretted that the circumstances of your case are such that favorable action cannot be taken. You are entitled to have the Board reconsider its decision upon submission of new and material evidence or other matter not previously considered by the Board. In this regard, it is important to keep in mind that a presumption of regularity attaches to all official records. Consequently, when applying for a correction of an official naval record, the burden is on the applicant to demonstrate the existence of probable material error or injustice.

Sincerely,

W. DEAN PFEIFFER
Executive Director

MEMORANDUM FOR CHAIRMAN, BOARD FOR CORRECTION OF NAVAL RECORDS

Via: PERS-00ZCB

Subj: BCNR PETITION ICO [REDACTED]

Ref: (a) SNM's DD Form 149 dtd 25 Jul 00
(b) NAVADMIN 132/99
(c) NAVADMIN 050/00
(d) OPNAVINST 1160.6A

Encl: (1) BCNR File

1. In response to reference (a), recommend disapproval of the petitioner's request.

- The petitioner's ADSD is 12 June 1990.

- The petitioner received a SCORE conversion approval on 7 December 1999 from PERS-815 to convert to the CTT rate by way of the CTT "A" school. The petitioner's original class convening date was 7 April 2000 with a completion date of 30 June 2000 set by PERS-4010.

- Reference (b) listed a zone "B" SRB entitlement for the CTT(0000) rate with an award level of 4.5 at the time the petitioner received the conversion approval.

- The petitioner's class convening date of 7 Apr 2000 was delayed to May 2000 because the petitioner's security clearance was not completed prior to the class date.

- The petitioner passed through the zone "B" window of eligibility on 11 June 2000.

- The petitioner completed the CTT "A" school training in July 2000. Reference (c), released on 10 March 2000 with an effective date of 1 April 2000 listed a zone "B" SRB entitlement for the CTT(0000) rate at the time the petitioner completed training.

- The petitioner requests a waiver for the zone "B" eligibility due to the delay in the security investigation, which resulted in the change to his "A" school completion date.

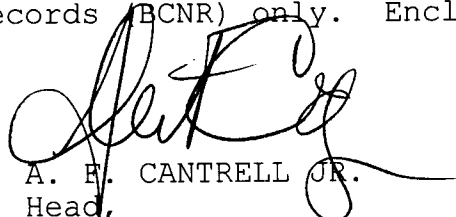

- Per reference (d), section (M) note 11, service members must successfully complete formal training and be designated in the new skill at reenlistment to be eligible for SRB at the new skill award level.

Subj: BCNR PETITION ICO CTT1 [REDACTED]

- The petitioner passed through the zone "B" SRB eligible window approximately one month prior to obtaining the CTT rate. Therefore, the petitioner was not eligible to receive the zone "B" entitlement because upon earning the CTT rate in July 2000, the petitioner was in the zone "C" window. Additionally, the petitioner's original completion date of 30 June 2000 would also have made the petitioner ineligible for the zone "B" reenlistment.

2. In view of the above, recommend the petitioner's record remain as is.

3. This is an advisory memorandum to reference (a) for use by the Board for Correction of Naval Records (BCNR) only. Enclosure (1) is returned.
